OFFICE OF THE
SUPERINTENDENT

March 18, 2020

To Warren County Public Schools Families:

Thank you for your patience as we work through the challenges associated with the coronavirus (COVID-19). We remain committed to protecting the health of our students and staff. The situation with COVID-19 is dynamic and changing rapidly. Over the past several days, the continued spread of COVID-19 has resulted in additional steps being taken to limit the spread of the virus. In order to continue our effort to protect our community, we are extending our school closure through Monday, April 13, 2020. We are hopeful that students will return to school on Tuesday, April 14, 2020.

We will continue to offer all children, 18 and younger, free breakfast and lunch at E. Wilson Morrison Elementary School from 11 a.m. to 1 p.m. daily. There are six satellite locations throughout Warren County where meals will be distributed starting Tuesday, March 24, 2020. More information regarding the satellite locations will be posted on the Warren County Public Schools website and through phone calls home. If you have questions regarding the meal program or for location information, please call (540) 631-0040.

Please continue to consult the information available on our website at <https://www.wcps.k12.va.us/index.php/coronavirus-update> for updates. Again, thank you for your ongoing patience and support.

Sincerely,

Melody Sheppard
Interim Superintendent
